SPS Summer School 2022: "Plant sugar metabolism, transport and signaling in a challenging environment" - July 3-8, 2022

Planning at a glance

	Sunday July 3th	Monday July 4th	Tuesday July 5th	Wednesday July 6th	Thursday July 7th	Friday July 8th
8 AM						
9 AM		9 AM Sugar signaling	9 AM Sugar transport / partitioning	8:30 AM Bus trip 9:30 AM Tour of the Institute of Plant Sciences Paris-Saclay (IPS2) - Orsay	9 AM Sugar metabolism	9 AM From shoots to roots : Integrative view of carbon allocation
10 AM		11 AM Coffee break	11 AM Coffee break		11 AM Coffee break	11 AM Coffee break
11 AM		11:30 AM Sugar signaling	11:30 AM Sugar transport / partitioning	11:30 AM Bus trip	11:30 AM Sugar metabolism	11:30 AM From shoots to roots
12 PM		12:30 PM Lunch	12:30 PM Lunch	12 PM Lunch	12:30 PM Lunch	12:30 PM Lunch
1 PM				1 PM Tour of the Institut Jean-Pierre Bourgin (IJPB) - Versailles		
2 PM		2 PM Sugar signaling	2 PM Sugar transport / partitioning	3 PM Bus trip	2 PM Sugar metabolism	2 PM Round table: Workshop restitution and discussion
3 PM		3:30 PM Workshop Introduction	3:30 PM Coffee break	3:15 PM Visit of the Versailles Castle and gardens	3:30 PM Coffee break	4 PM Closing discussion
4 PM		4 PM Coffee break	4 PM Workshop - Part 2		4 PM Workshop - Part 3	4:30 PM End of the Summer School
5 PM	5 PM Welcome introduction	4:30 PM Workshop - Part 1				
6 PM	5:30 PM Flash-talks	6 PM Poster session	6 PM Social activity - Honey tasting		6 PM Social activity - Pétanque tournament	
7 PM				7:30 PM Diner (Restaurant in Versailles)		
8 PM	7:30 PM Dinner	8 PM Diner	8 PM Diner		8 PM Diner	
9 PM				9:30 PM Bus trip back		
10 PM
